Participant (and participant's parent(s)/guardian(s), if applicable) acknowledge, understand and assume all risks relating to ice hockey and any member team activities, and understand that ice hockey and member team activities involve risks to participant's person including bodily injury, partial or total disability, paralysis and death, and damages which may arise therefrom and that I/we have full knowledge of said risks. These risks and dangers may be caused by the negligence of the participant or the negligence of others, including the “releasees” identified below. These risks and dangers include, but are not limited to, those arising from participating with bigger, faster and stronger participants, and these risks and dangers will increase if participant participates in ice hockey and member team activities in an age group above that which participant would normally participate in. Participant (and participant's parent(s)/guardian(s), if applicable) agree if any claim for participant's personal injury or wrongful death is commenced against releasees, he/she shall defend, indemnify and save harmless releasees from any and all claims or causes of action by whomever or wherever made or presented for participant's personal injuries, property damage or wrongful death.

Participant (and participant's parent(s)/guardian(s), if applicable) acknowledge that they have been provided and have read the above paragraphs and have not relied upon any representations of releasees, that they are fully advised of the potential dangers of ice hockey and understand these waivers and releases are necessary to allow amateur ice hockey to exist in its present form. Significant exclusions may apply to USA Hockey's insurance policies, which could affect any coverage. For example, there is no liability coverage for claims of one player against another player.
